

G4G Tributes To Martin Gardner

The Mathemagician and Pied Puzzler
Elwyn Berlekamp and Tom Rodgers, Editors
(A. K. Peters 1999, 9.25 inches by 6.25 inches, hard cover, 266 pages)

The Puzzlers' Tribute, A Feast For The Mind
David Wolf and Tom Rodgers, Editors
(A. K. Peters 2002, 9.25 inches by 6.25 inches, hard cover, 420 pages)

These books have contributions by participants in the first four "Gatherings for Gardner" (G4G) to honor Martin Gardner (who had the mathematical Games Section in *Scientific American* for many years starting in 1957). They contain recreational mathematics, including things like sliding piece puzzles and burrs.
