What's New?

The 2007 World Tantrix Championship is underway. Players from 25 different countries will compete over the next four months to see who is the best in the world.

On the Web since 1996

Tantrix.com is an independent game server. No pop-ups, no ads, no fees. Instead we focus on building a friendly online community and hope to grow by word of mouth.

Are you competitive?

Find out where you rank this month, over the year or in your country. Participate in one of the regional and social Tantrix tournaments which are organized throughout the year.

THE WEB'S PREMIER INDEPENDENT MULTI-PLAYER GAME

WHAT IS TANTRIX ?

Tantrix is an elegant coffee-table strategy game from New Zealand. Its intriguing mixture of skill and chance makes Tantrix a fun family game, at the same time as being utterly addictive to the serious player. Tantrix also includes a comprehensive collection of solitaire activities such as the Discovery and Rainbow puzzles.

[More Info](#)

MIND THE GAME

In the Lobby you will meet an eclectic bunch of players from beginner to expert and Tantrix socialites from different countries. If you just want to learn the basics, then start by challenging one of our resident Robots to a match. Whether you are here to spectate on games in progress, meet friends or have a go yourself, good luck and have fun.

TAKING ON SHOCKWAVE

We are proud to announce a new site where you can play Tantrix Solitaire, Discovery and Xtreme: Shockwave.com - one of the largest game sites in the world. High quality graphics and an interesting scoring system make Solitaire the most addictive puzzle of the trio. Find out how good you are relative to Shockwave's 30 million players.

BEHIND THE SCENES

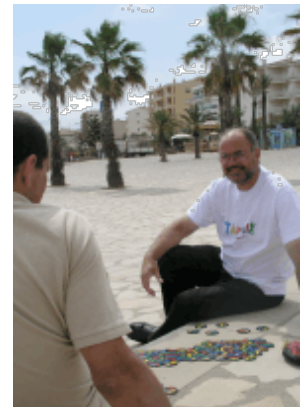

TABLE TOURNAMENTS

Now in their sixth year and so far held in nine different countries, table tournaments have gained a reputation as tense, yet highly social events.

LIKE TO HELP?

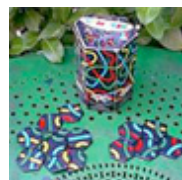

A lot is happening to keep this server running. Browse a list of projects we would love to find volunteers for.

[More Info](#)

TANTRIX USES JAVA

Tantrix requires a Java-enabled browser to play. Most modern browsers support Java, but not all include it by default.

[More Info](#)

THE STORY SO FAR

The first version of Tantrix was published in 1987 and called the Mind Game. Improved editions soon followed, changing materials, packaging and game design.

[More Info](#)

TANTRIX - A UNIQUE GIFT

Tantrix has evolved from a simple two-player cardboard game to an elegant range of products. The latest edition contains 56 hexagonal tiles, a practical travel bag and a 50-page illustrated activity guide. Inside you will find activities to last a lifetime.
