The Object:

Move the pieces into the position shown in the right figure.

114 Moves

=>

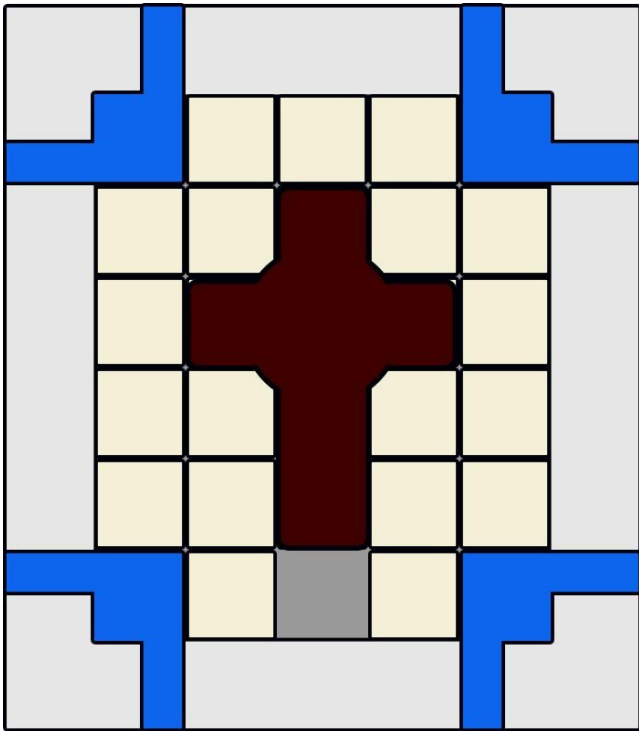

Problem 5:

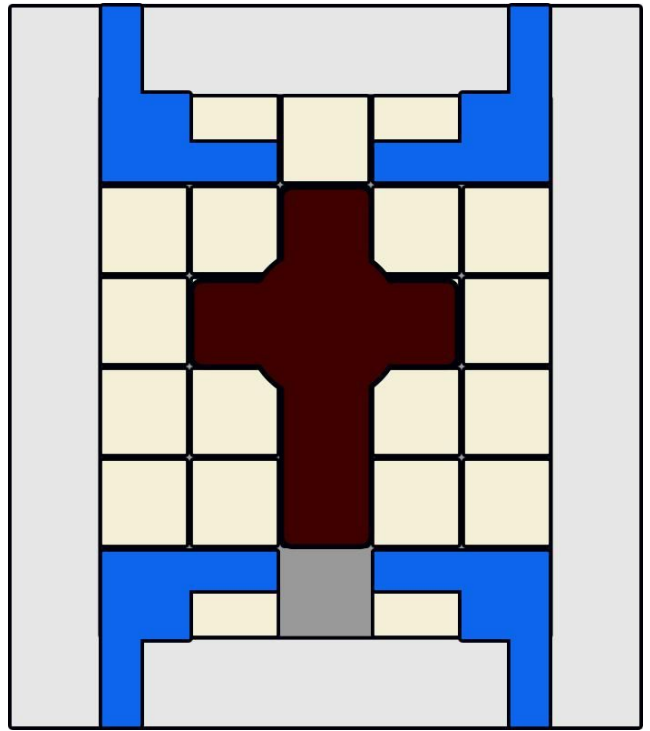

The Object:

Move the pieces into the position shown in the right figure.

100 Moves

=>

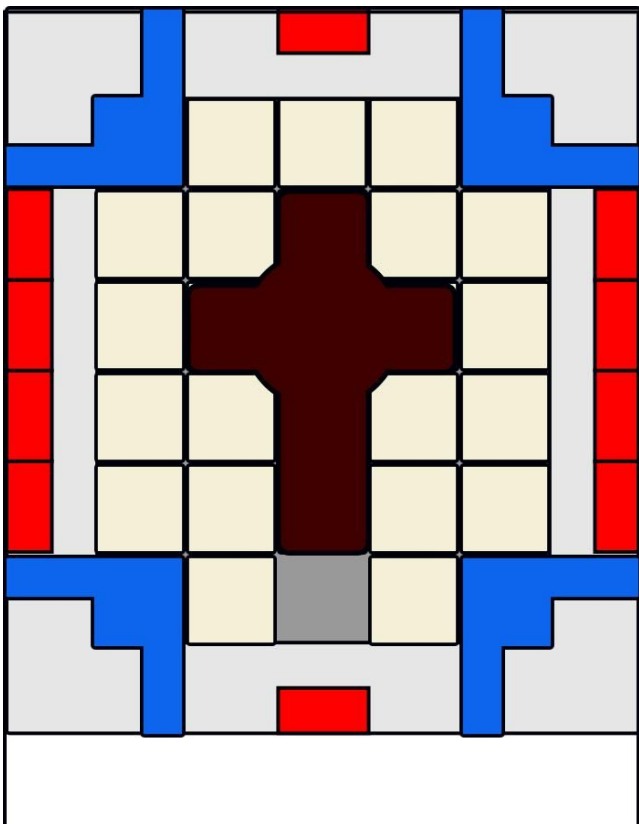

Problem 6:

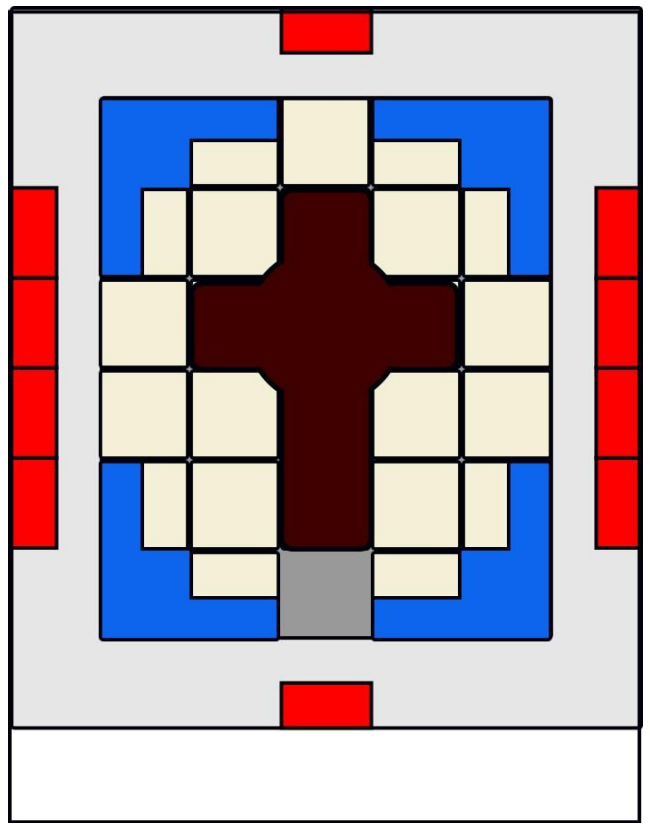

The Object:

Move the pieces into the position shown in the right figure.

190 Moves

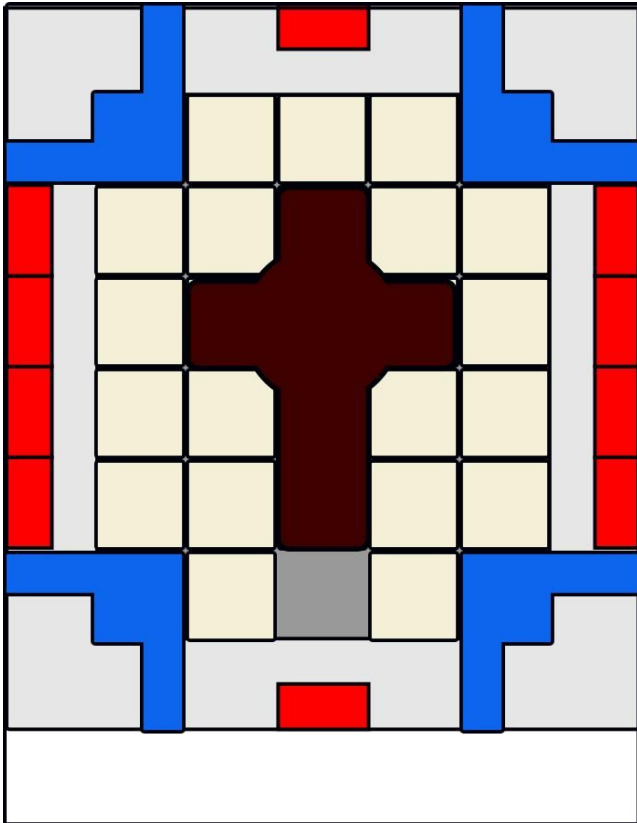

=>

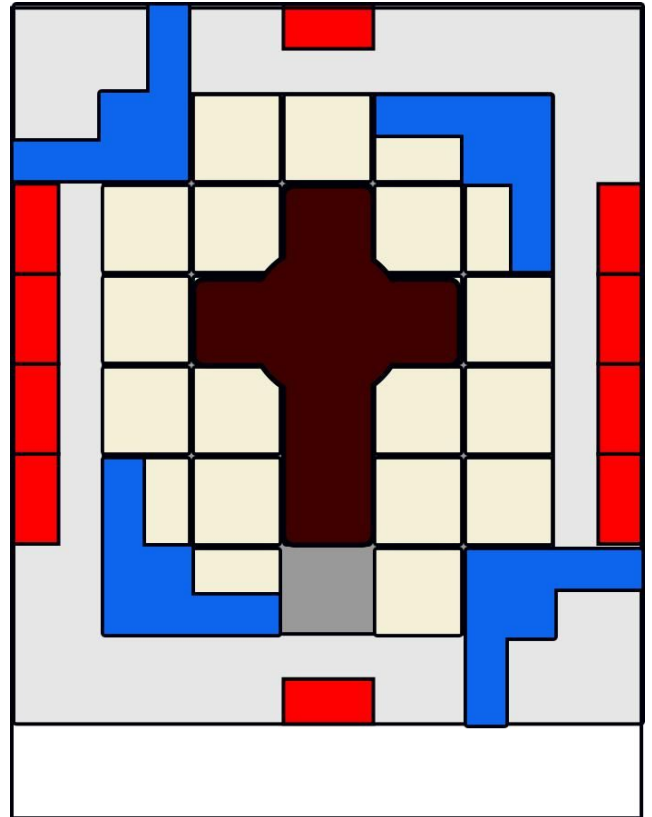

Problem 7:

The Object:

Move the pieces into the position shown in the right figure. 154 Moves

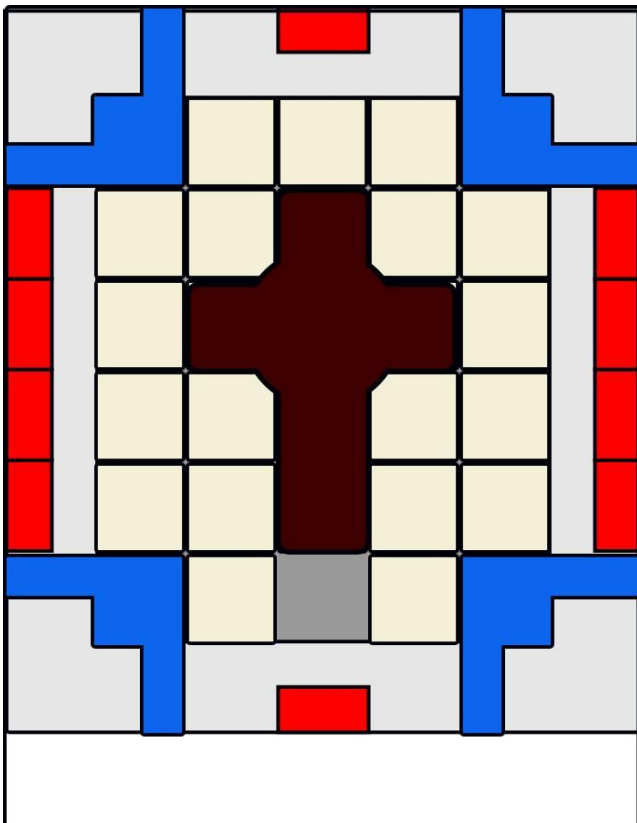

=>

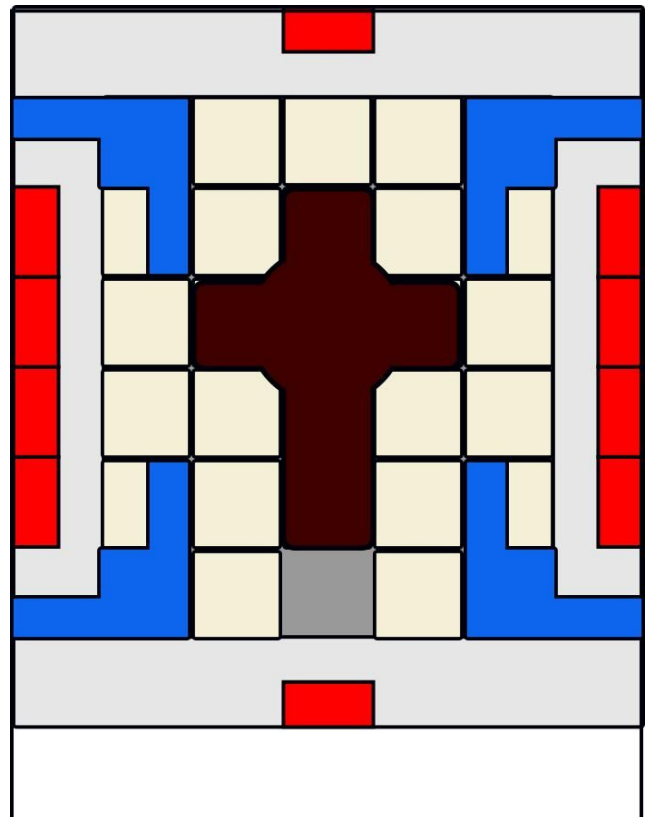

Problem 8:

The Object:

Move the pieces into the position shown in the right figure. 196 Moves

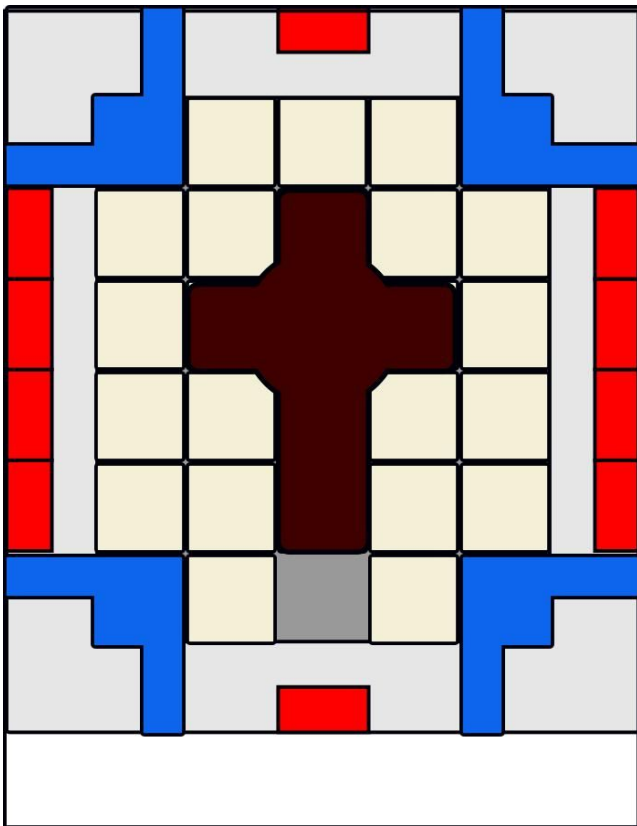

=>

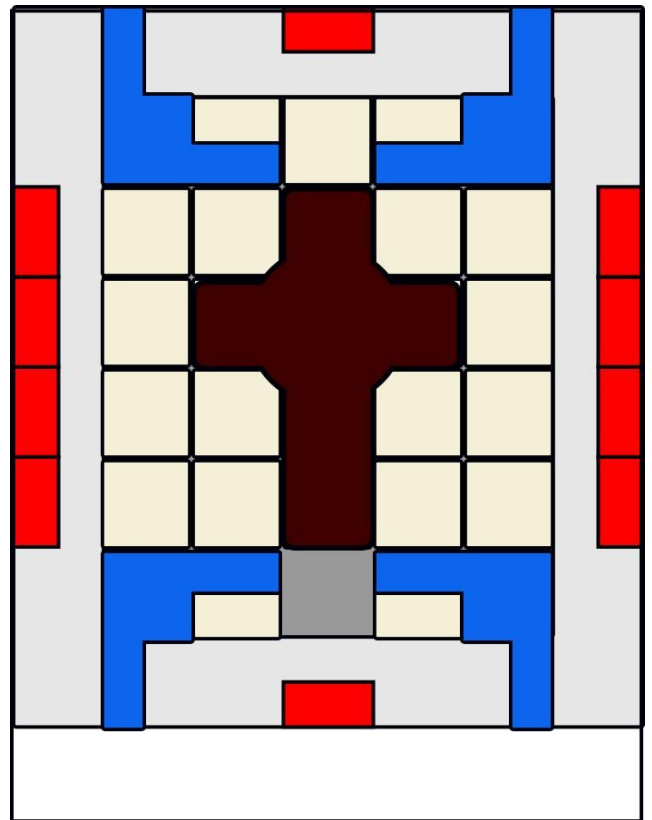

Problem 9:

The Object:

Move the pieces into the position shown in the right figure. 190 Moves

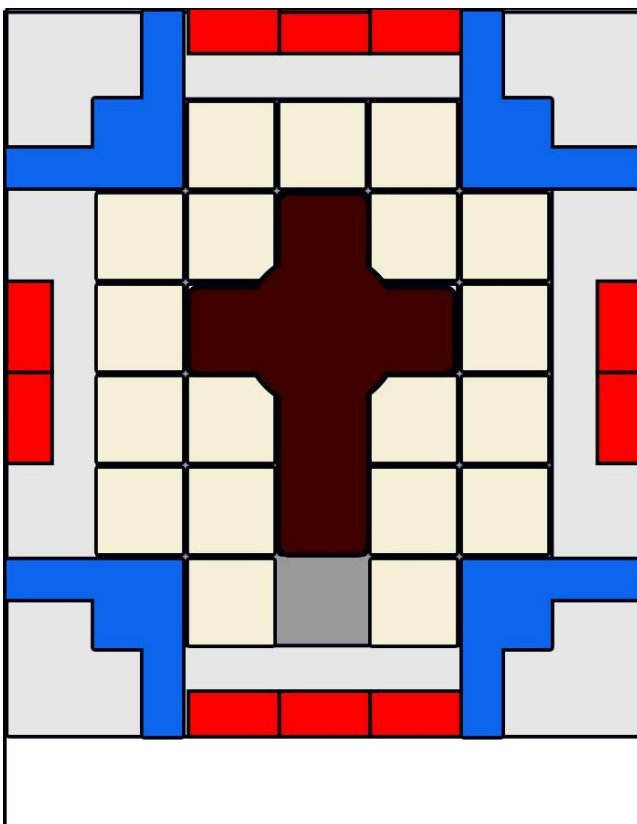

=>

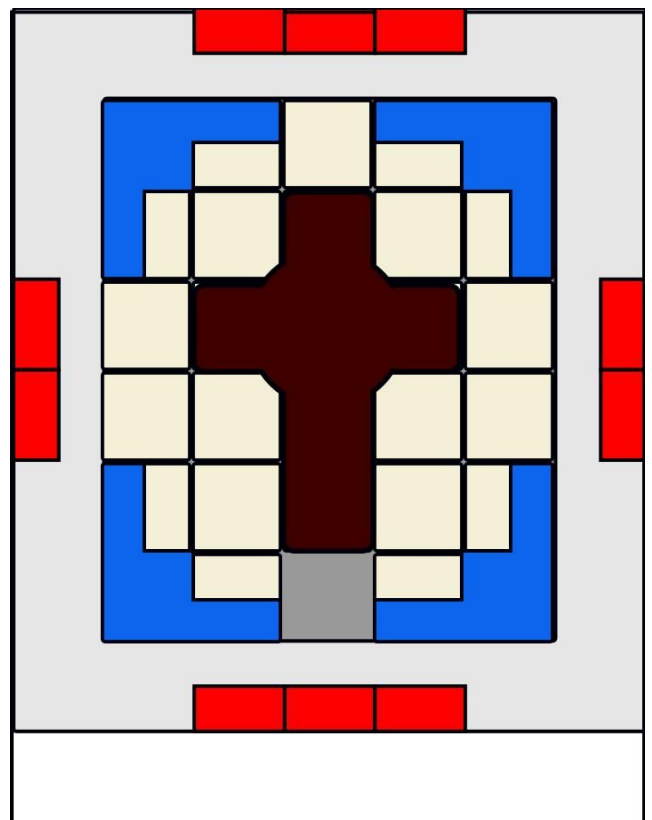

Problem 10:

The Object:

Move the pieces into the position shown in the right figure. 222 Moves

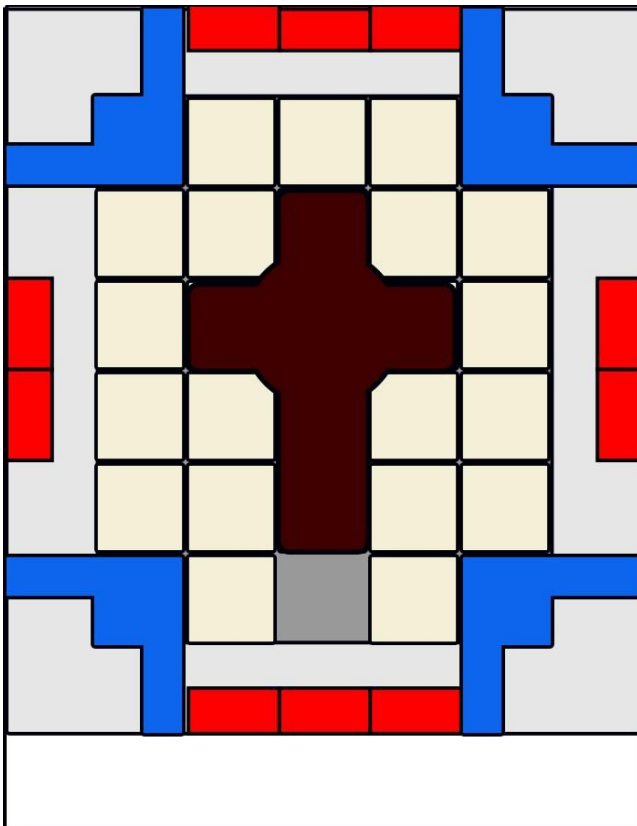

=>

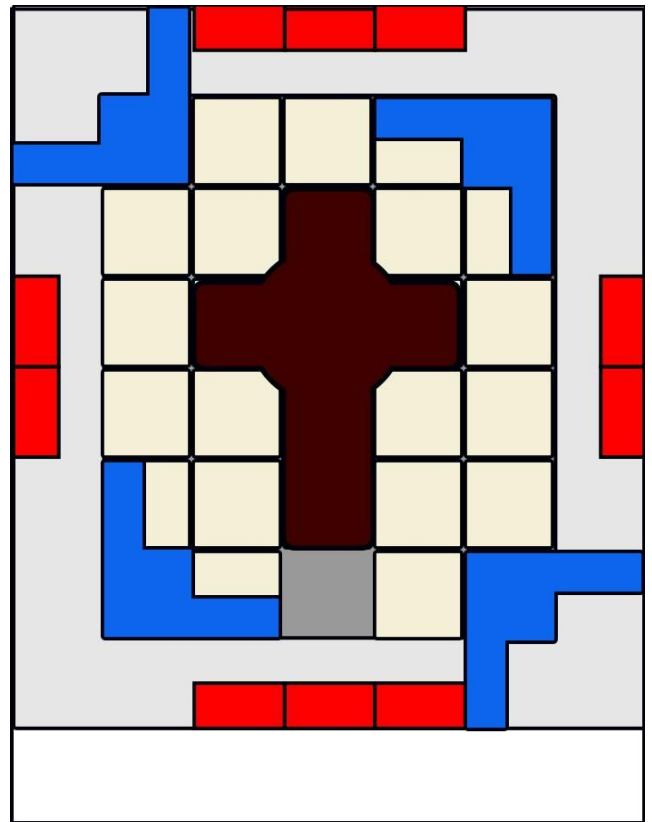

Problem 11:

The Object:

Move the pieces into the position shown in the right figure. 162 Moves

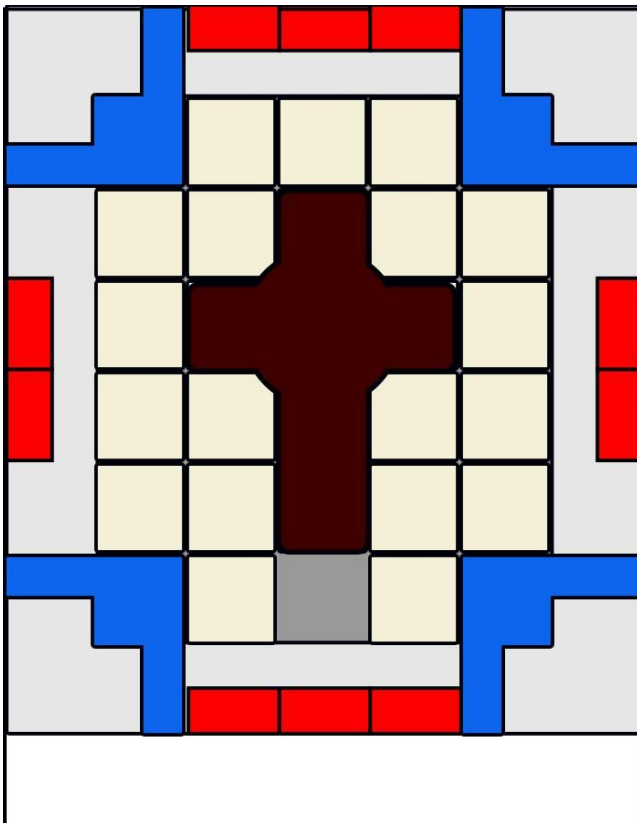

=>

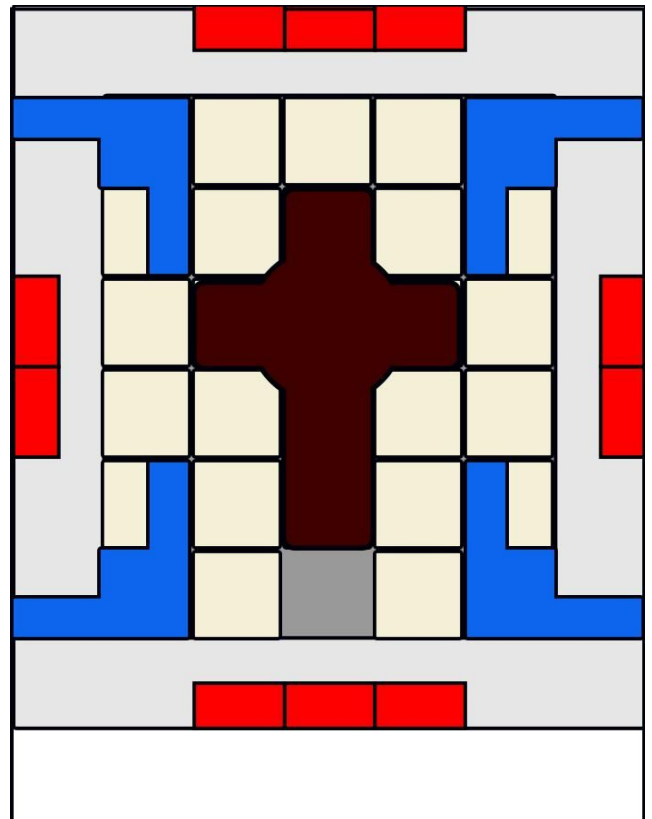

Problem 12:

The Object:

Move the pieces into the position shown in the right figure. 180 Moves

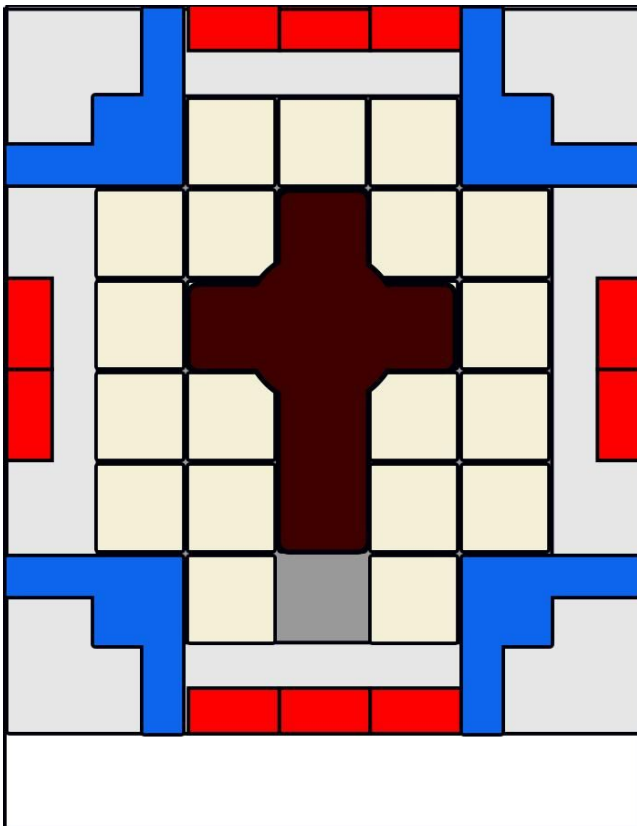

=>

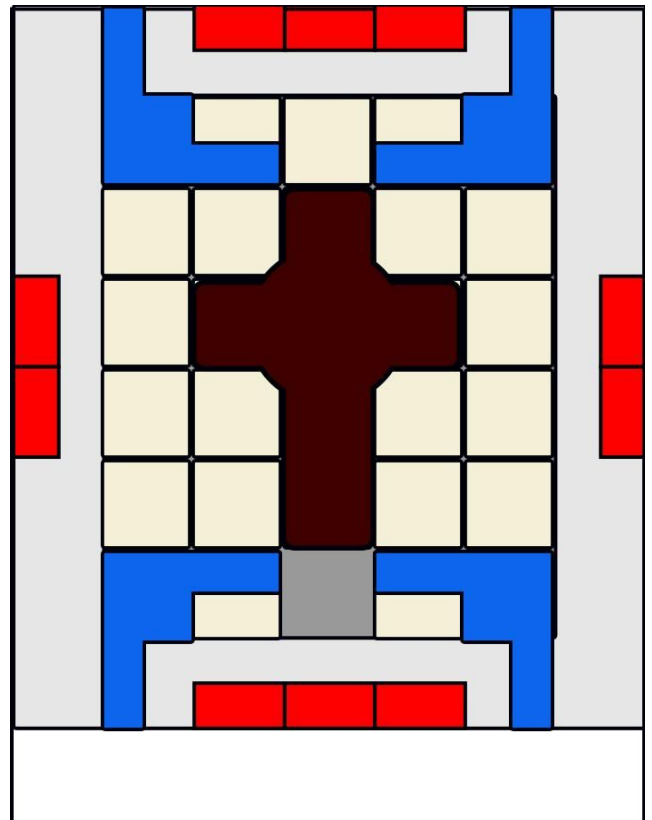

Problem 13:

The Object:

Move the pieces into the position shown in the right figure. 204 Moves

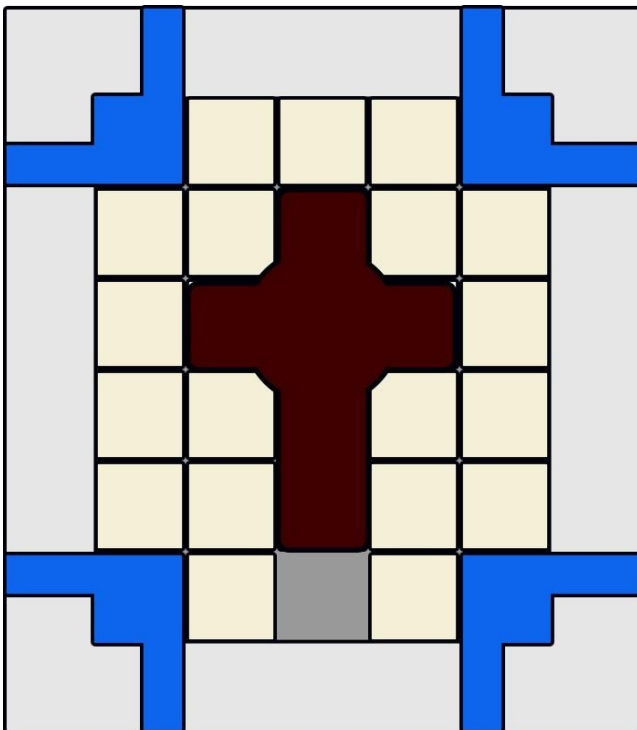

=>

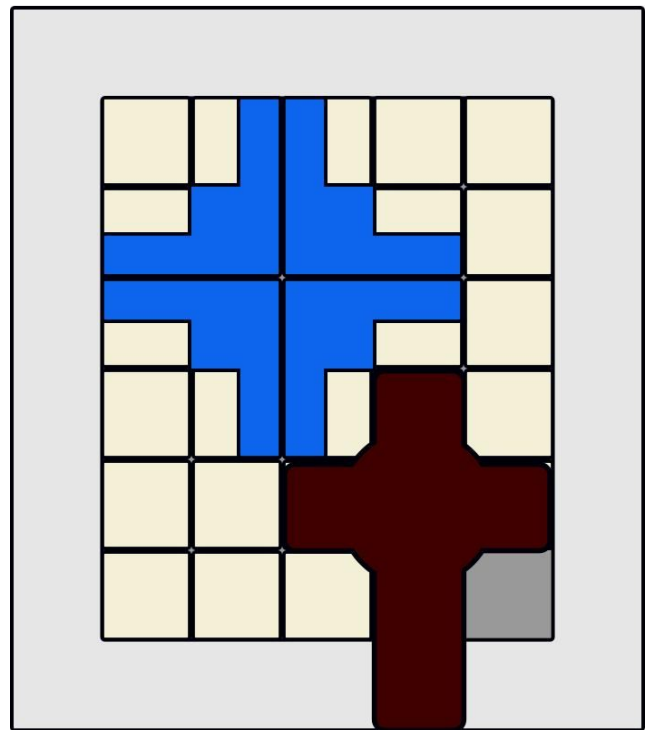

Problem 14:

The Object:

Move the pieces into the position shown in the right figure. 68 Moves

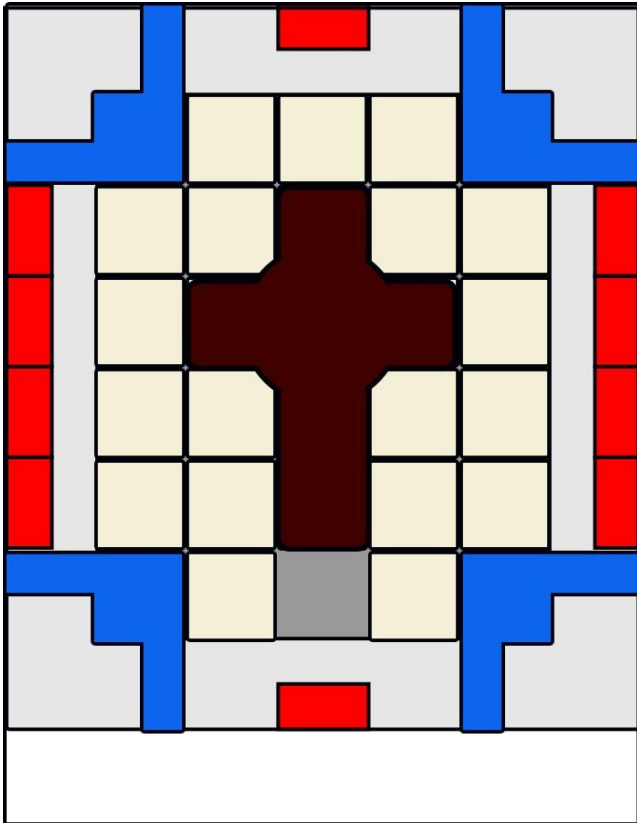

=>

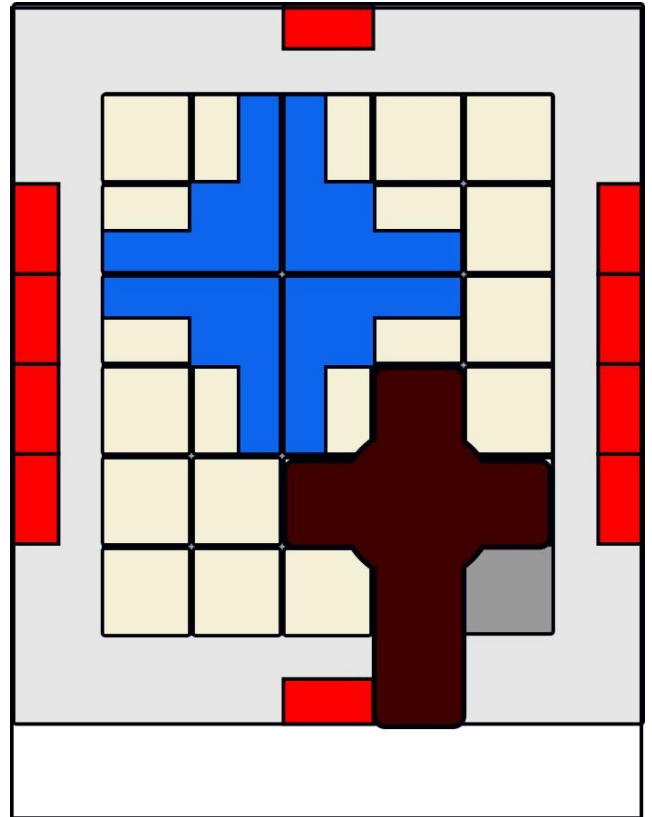

Problem 15:

The Object:

Move the pieces into the position shown in the right figure. 98 Moves

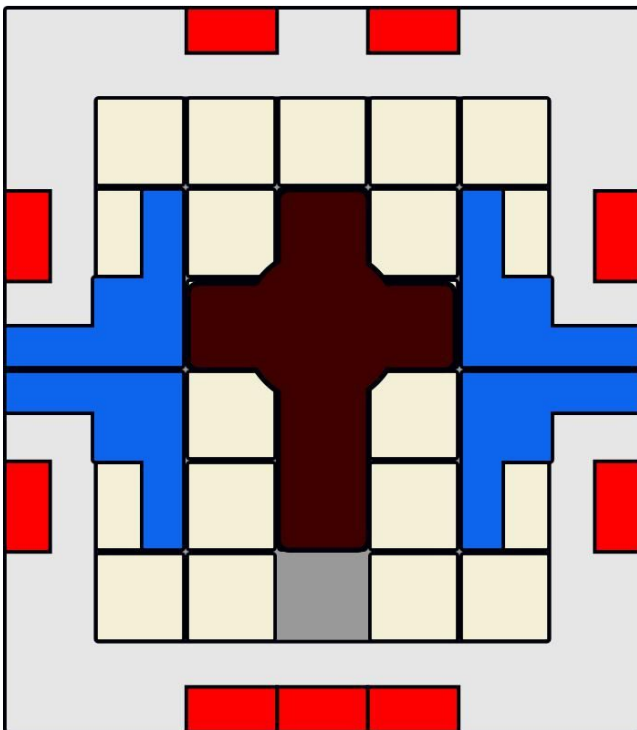

=>

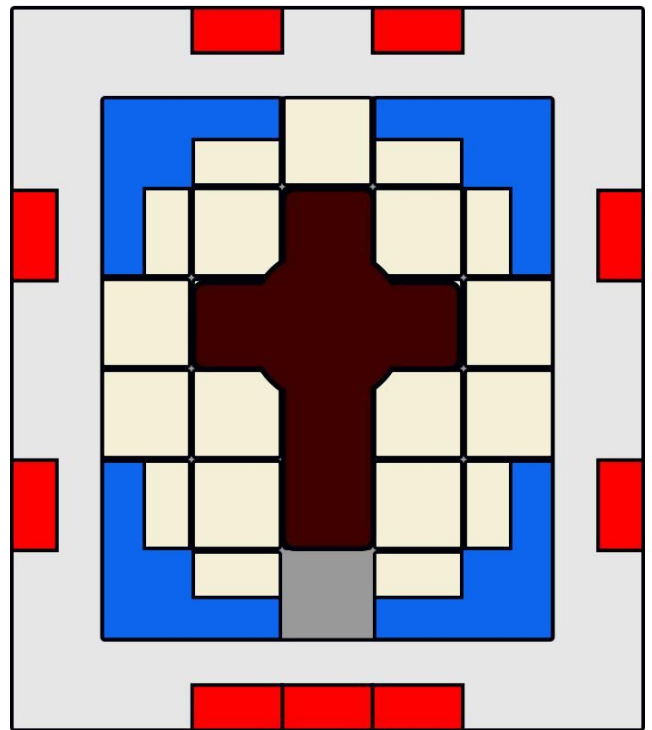

Problem 16:

The Object:

Move the pieces into the position shown in the right figure. 194 Moves

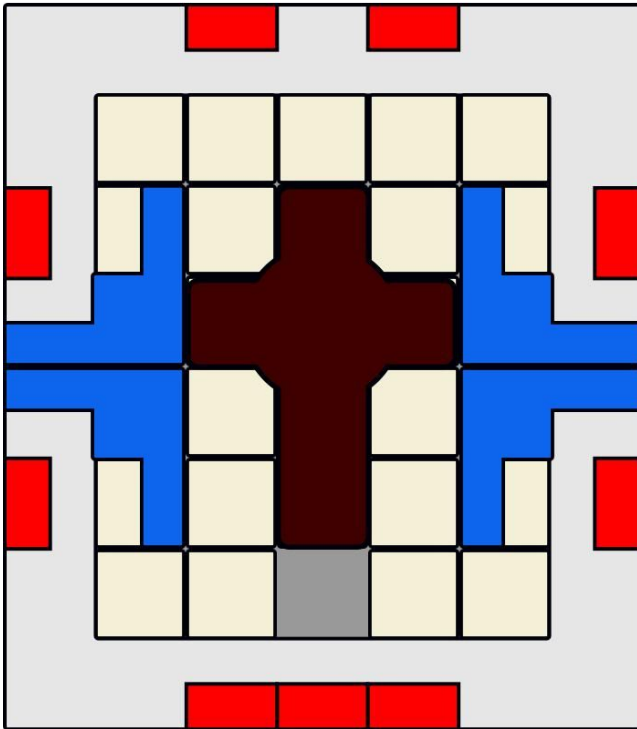

=>

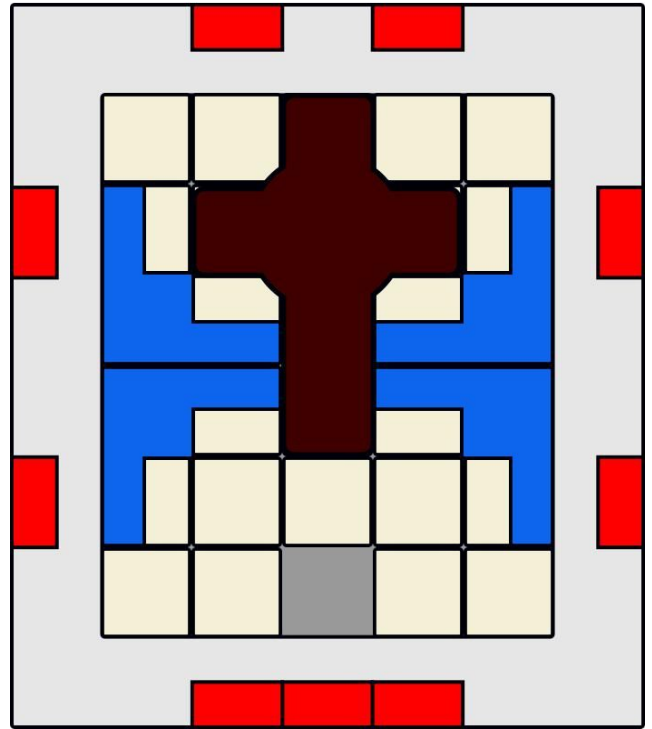

Problem 17:

The Object:

Move the pieces into the position shown in the right figure. 182 Moves

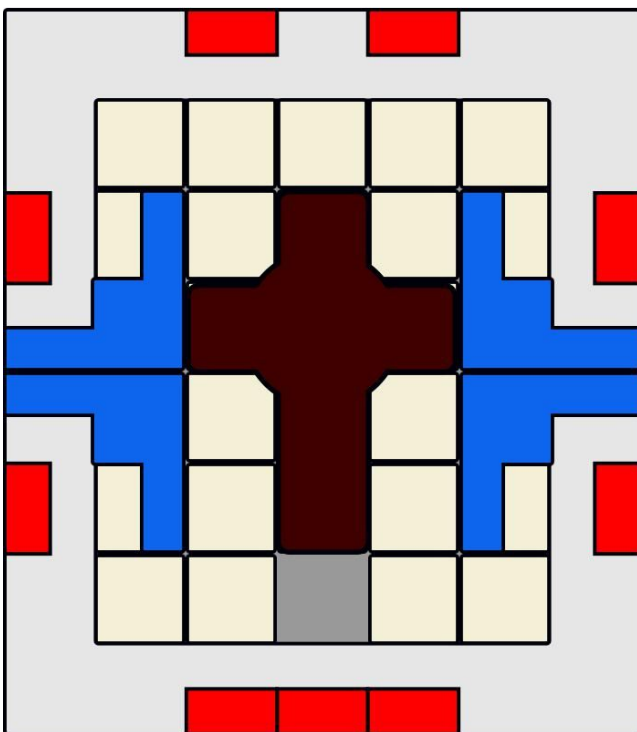

=>

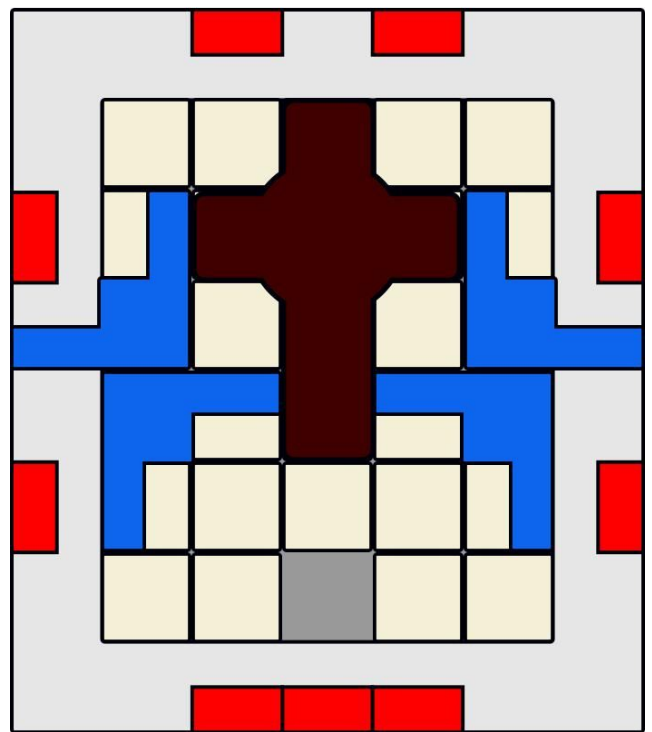

Problem 18:

The Object:

Move the pieces into the position shown in the right figure. 116 Moves

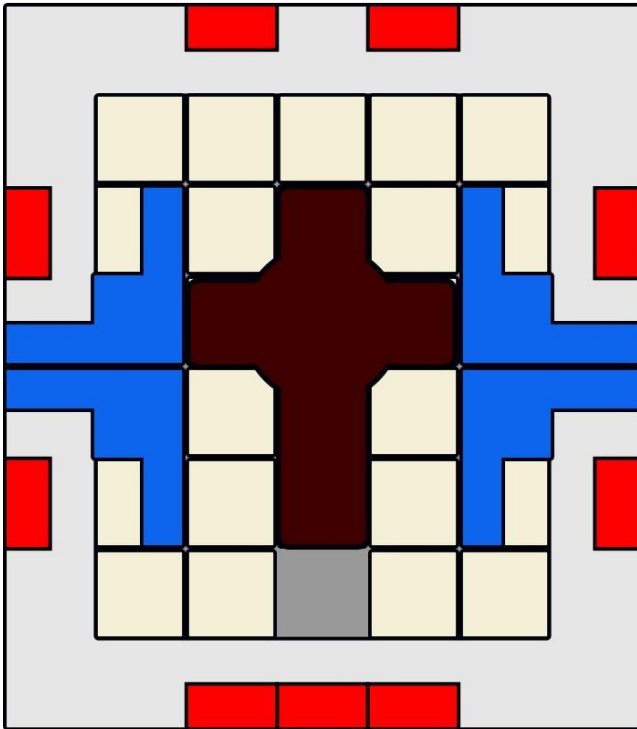

=>

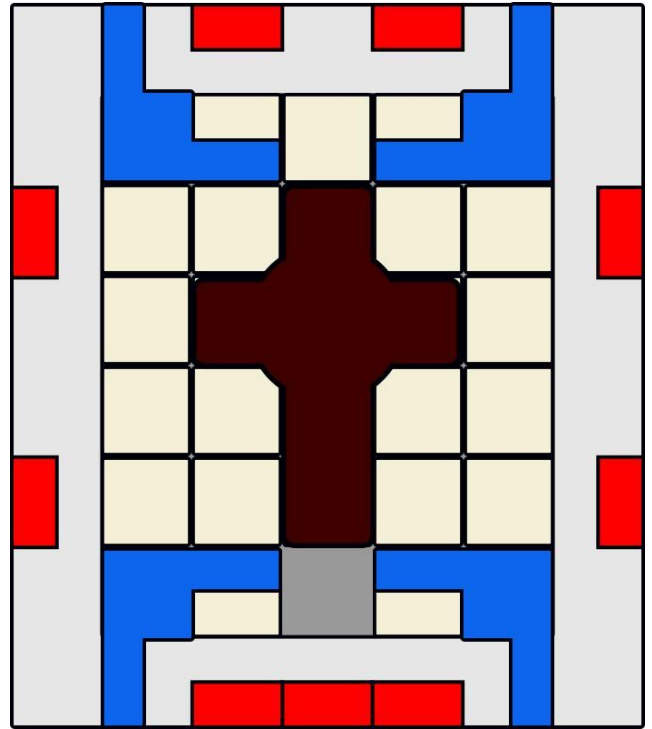

Problem 19:

The Object:

Move the pieces into the position shown in the right figure. 184 Moves

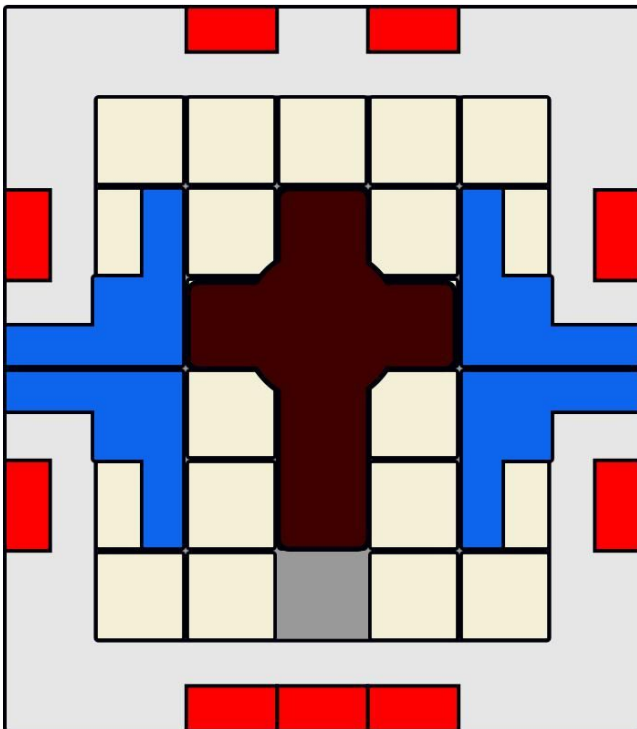

=>

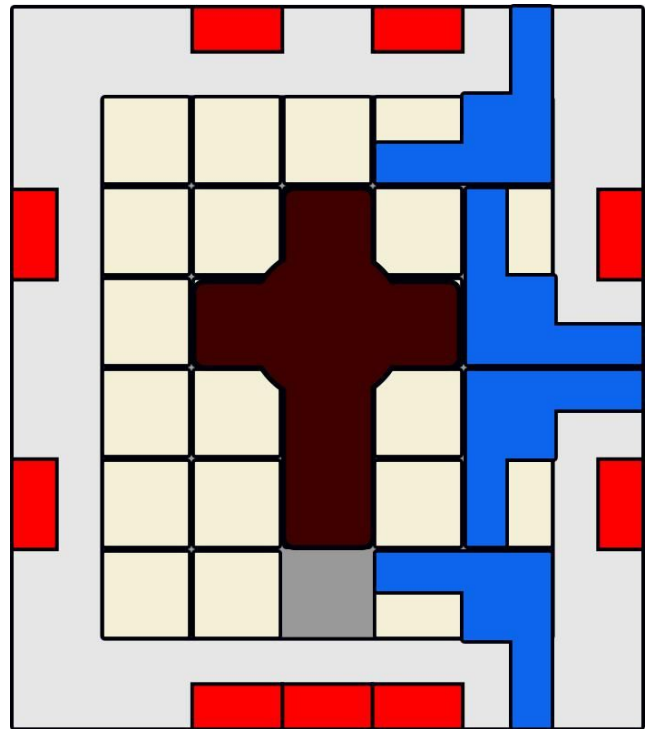

Problem 20:

The Object:

Move the pieces into the position shown in the right figure. 130 Moves

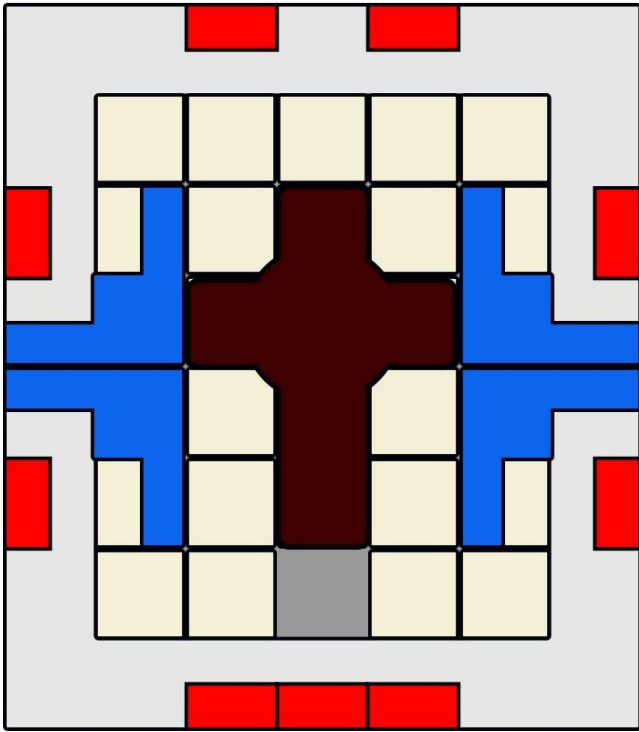

=>

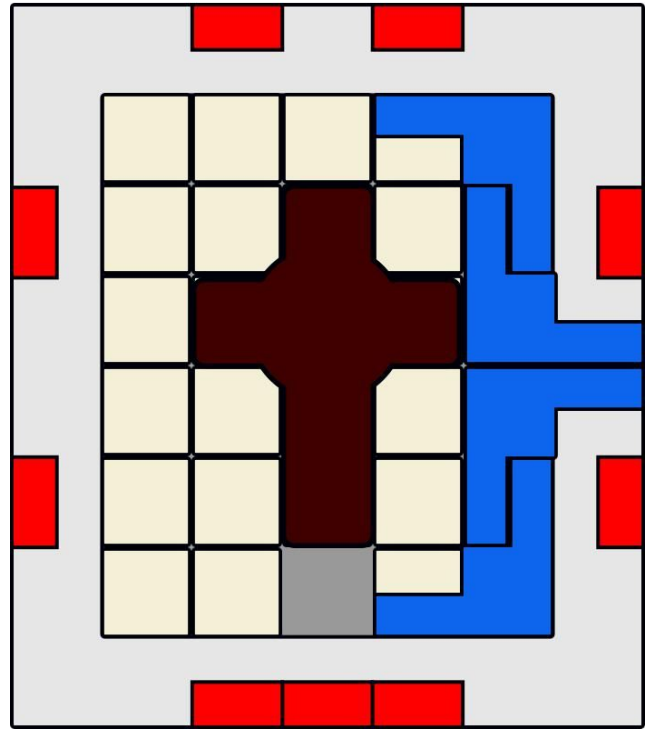

Problem 21:

The Object:

Move the pieces into the position shown in the right figure. 146 Moves

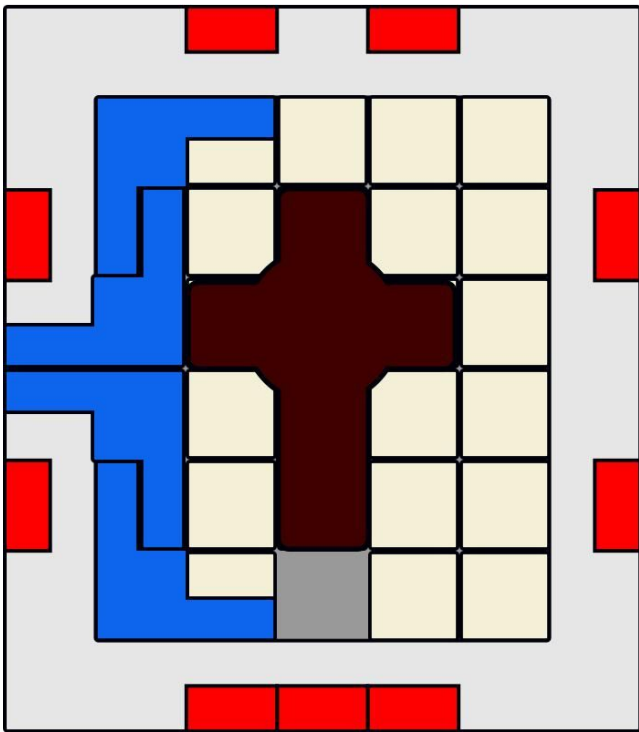

=>

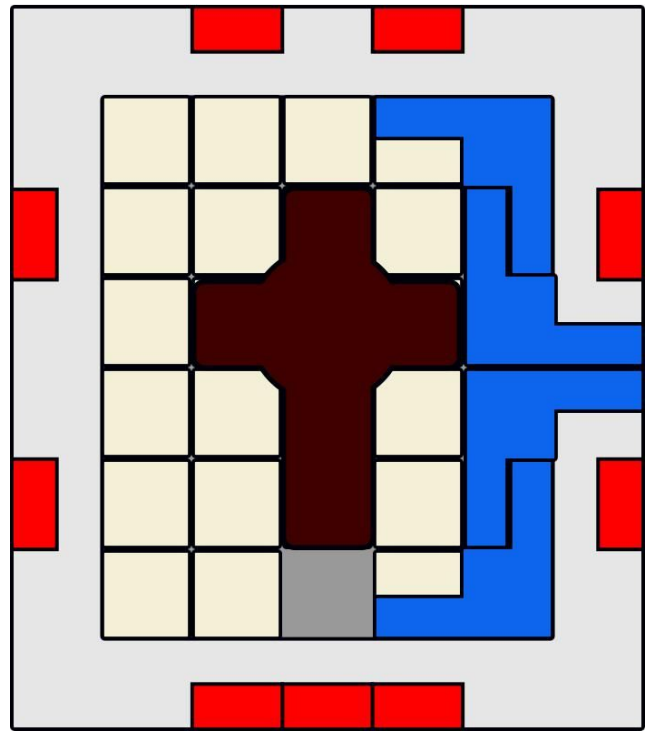

Problem 22:

The Object:

Move the pieces into the position shown in the right figure. 148 Moves

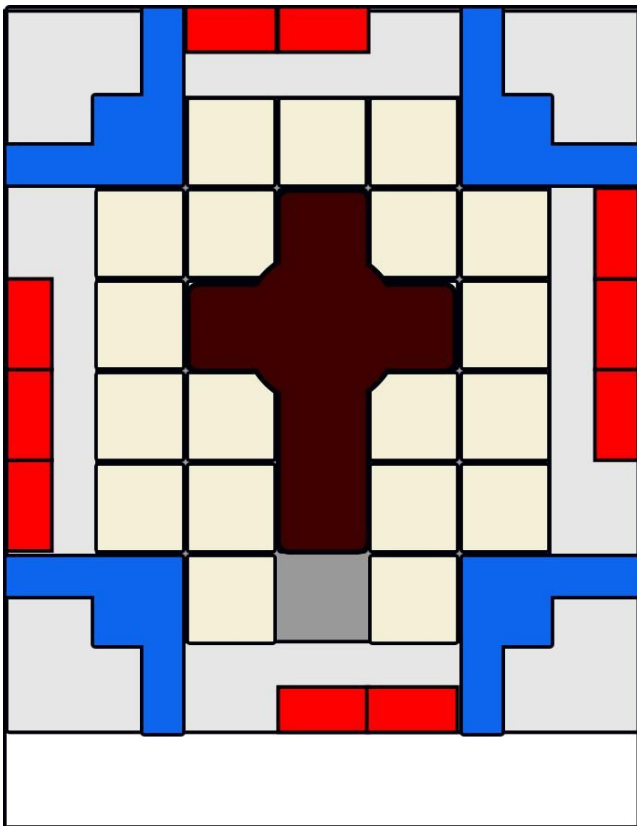

=>

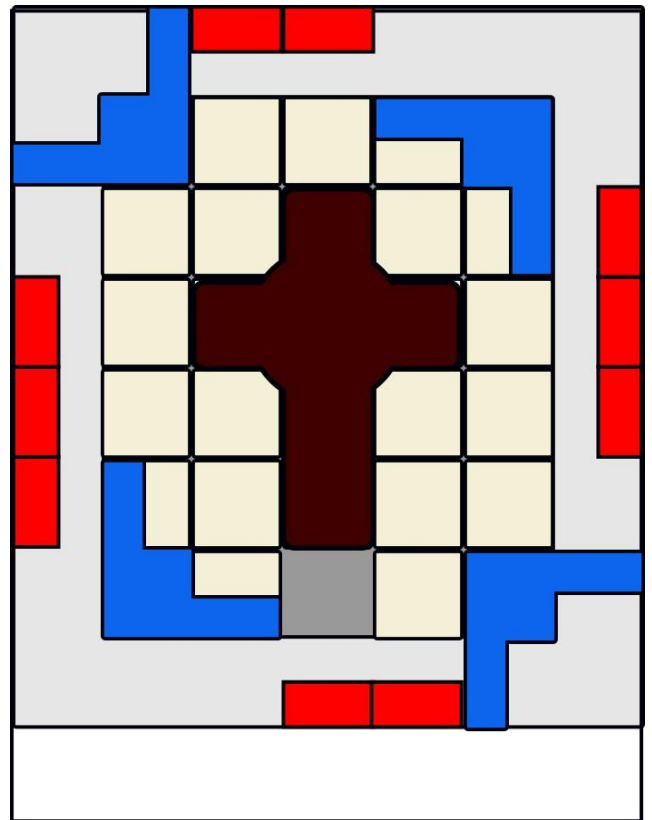

Problem 25:

The Object:

Move the pieces into the position shown in the right figure. 158 Moves

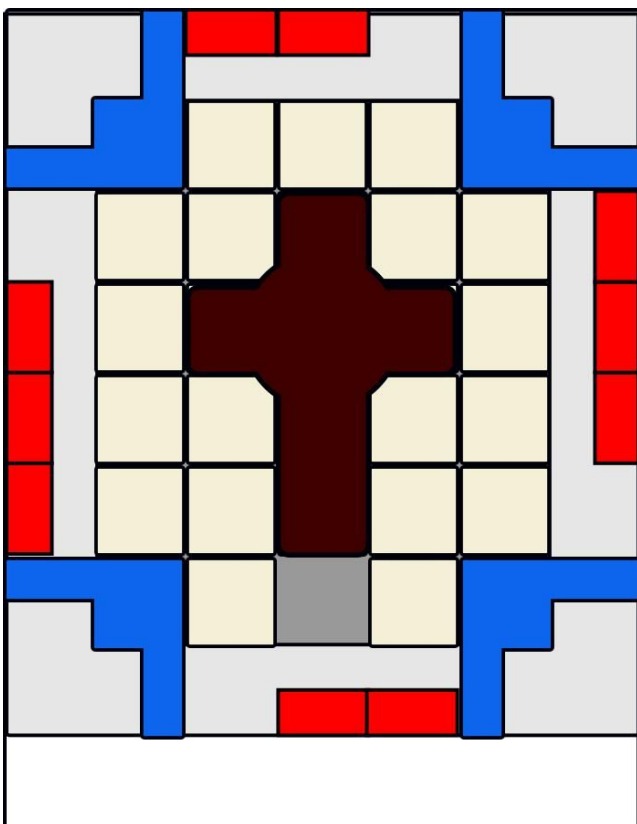

=>

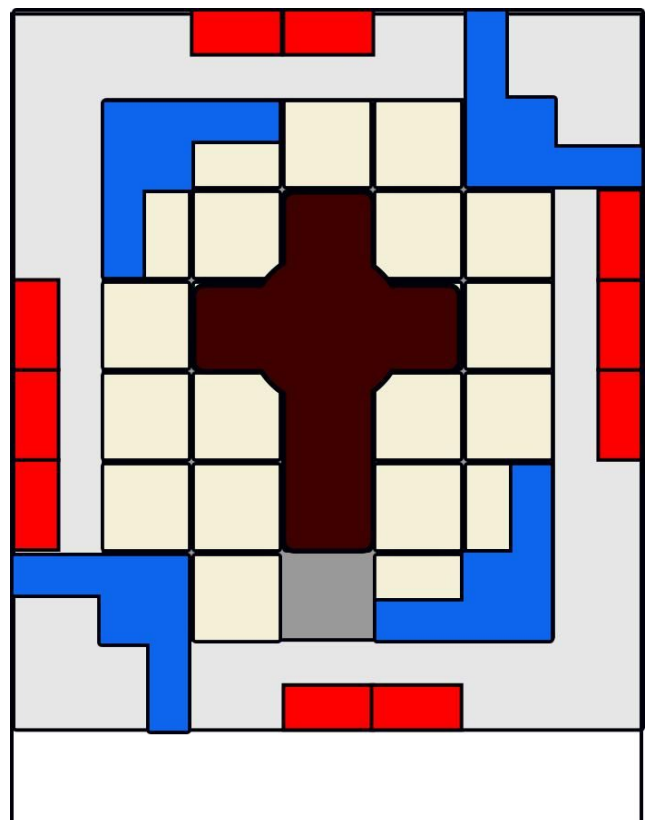

Problem 26:

The Object:

Move the pieces into the position shown in the right figure. 158 Moves

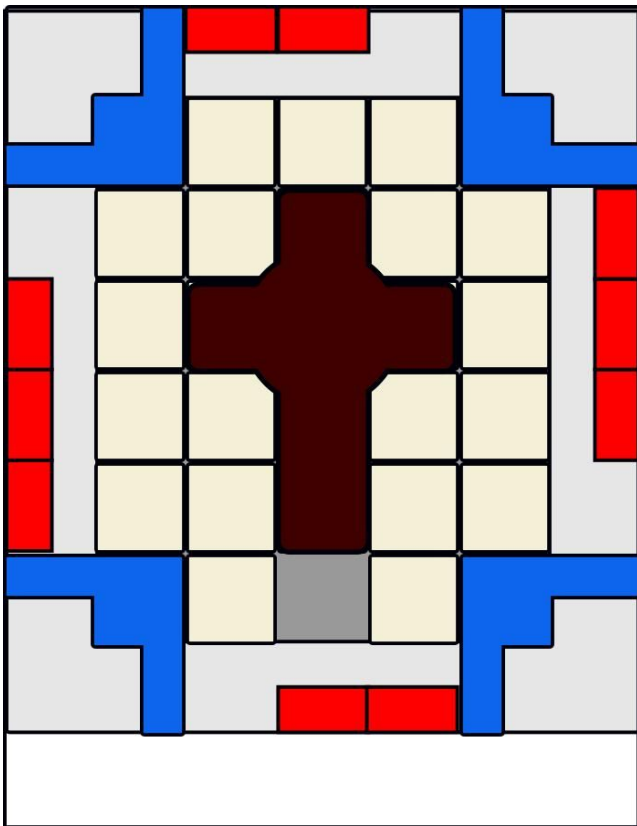

=>

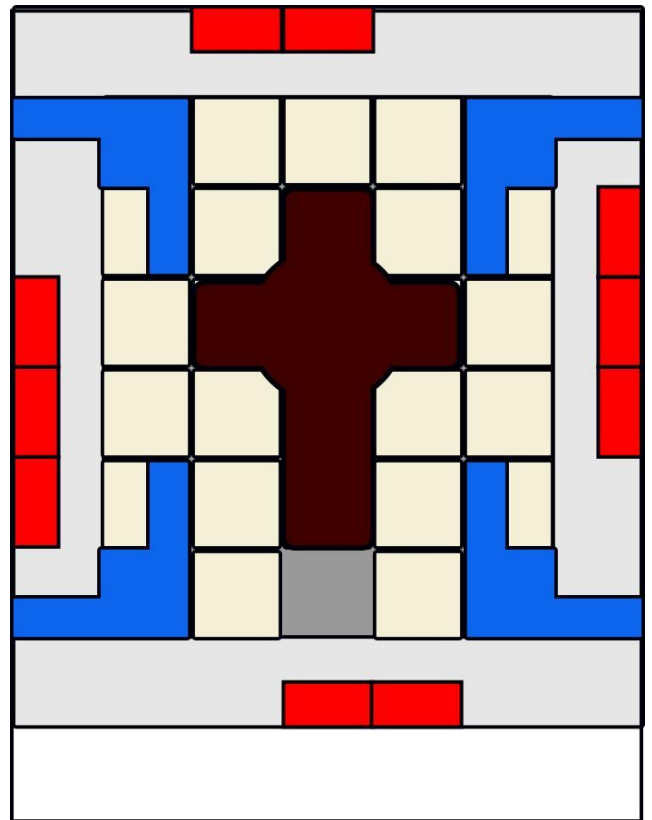

Problem 27:

The Object:

Move the pieces into the position shown in the right figure. 182 Moves

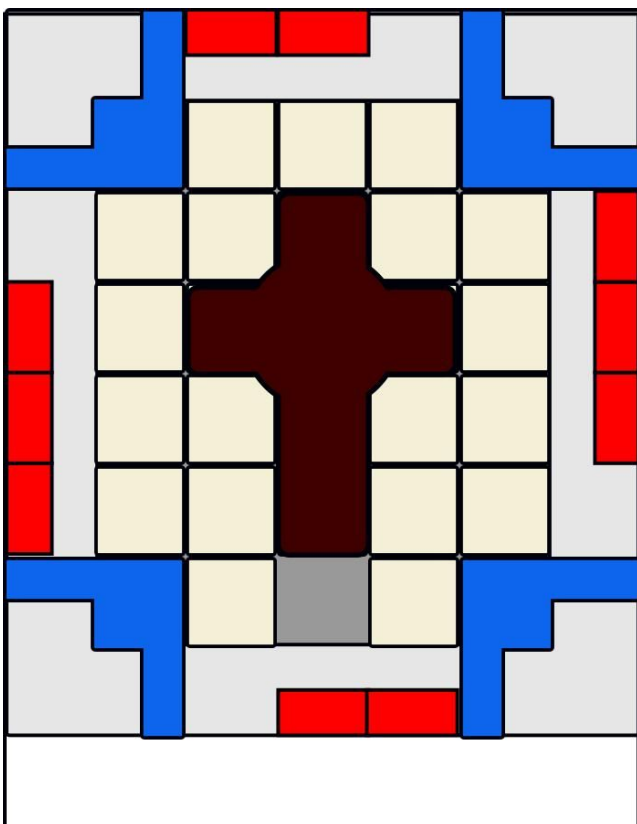

=>

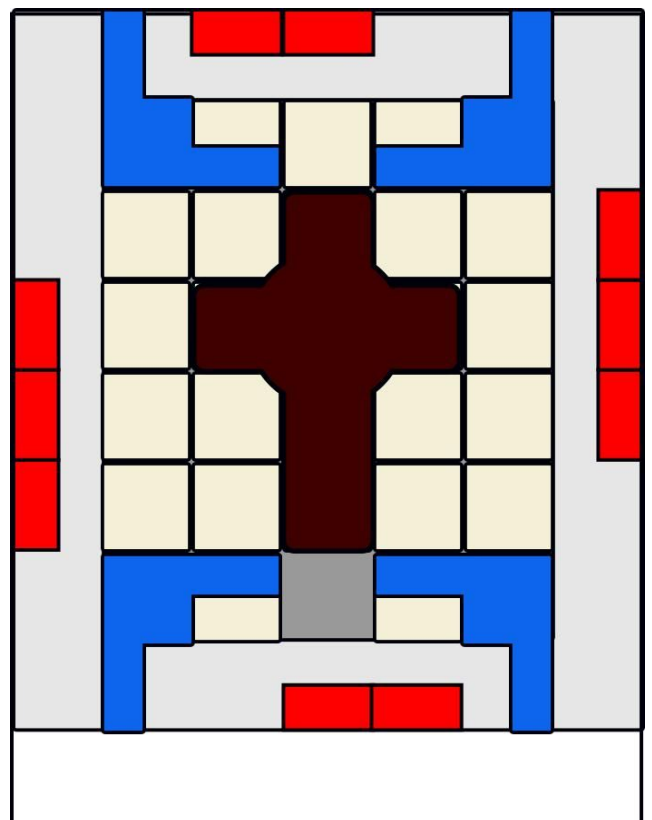

Problem 28:

The Object:

Move the pieces into the position shown in the right figure. 188 Moves

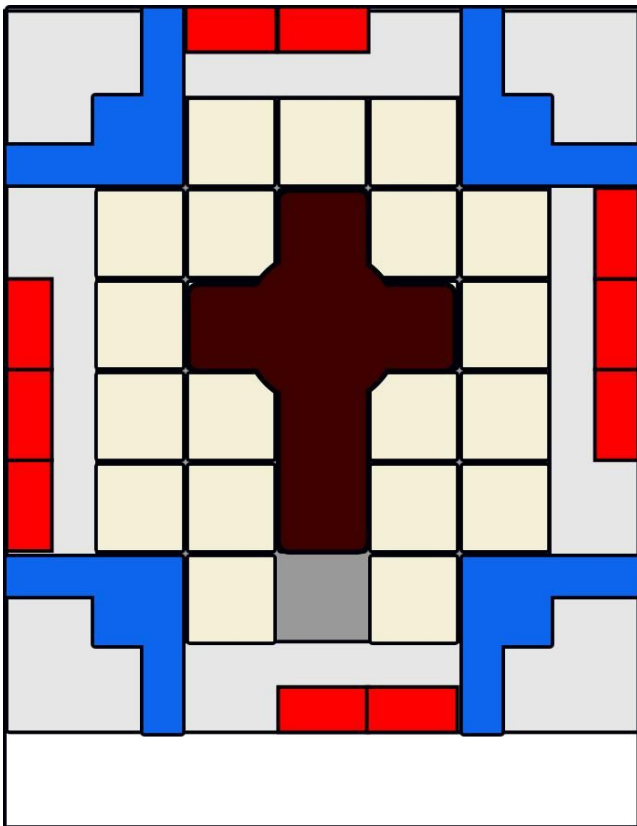

=>

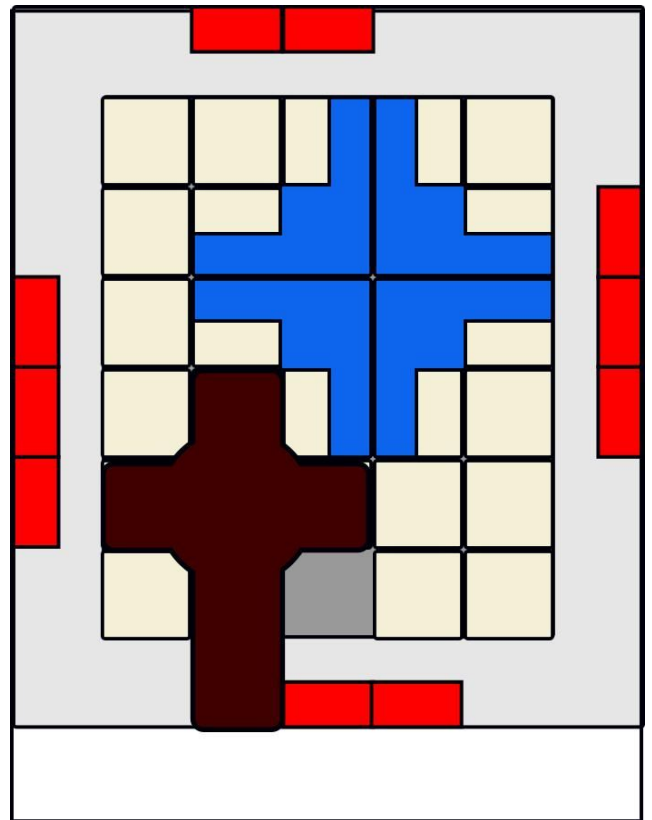

Problem 29:

The Object:

Move the pieces into the position shown in the right figure. 94 Moves

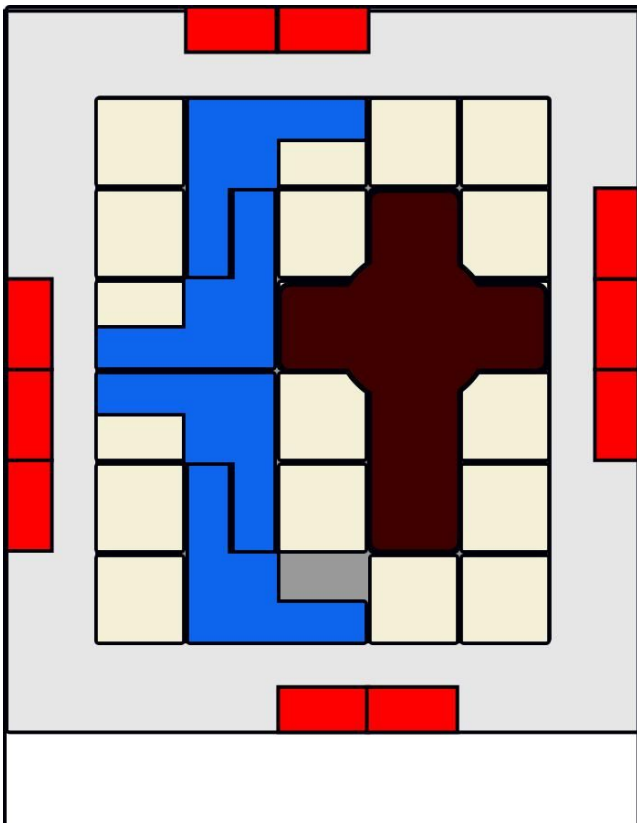

=>

Problem 30:

The Object:

Move the pieces into the position shown in the right figure. 136 Moves

=>
