

# Camouflage Cube 3x4x4

*Made in China by WitEden, 2012.*

(plastic, 2.7" x 2.7" x 2.25";

white opposite yellow, green opposite blue, orange opposite red)

A larger version of the Camouflage Cube 3x3x3 where turns realign the center planes in a way that causes shape to change quickly; here are three successive 90 degree turns:
