

# Pillow Cube

**a.k.a. *Cushion Cube***

*Circa 1980's?*

(plastic, 2.2 inches)

A *Rubik's 3x3x3 Cube* that has been beveled and employs a different color scheme; a solution method for *Rubik's 3x3x3 Cube* can be used to solve this puzzle.

The solution is not unique since when the top and bottom sections are rotated, the puzzle remains solved. The stickers around the middle are *gold, silver, white, and light blue*. The top and bottom tips have *white* stickers. The eight slanted faces have the colors *green, orange, blue, light purple, yellow, dark purple, red, and pink*, but the arrangement of these stickers may vary from one puzzle to another.
