

Rubik 4x4x6

a.k.a. TomZ 4x4x6 Cuboid

Purchased from Mefferts; made by the Now Store, Hong Kong, 2012.

(plastic, 2.5" x 2.5" x 3.5";

orange opposite red, blue opposite green, yellow opposite white)

The shape can change quickly; shown below are three consecutive 90 degree turns. Solution steps are outlined on the *Rubik's Ultimate Solution Page*.
