

Double Trouble Puzzle

The Embossing Company, Albany, NY, circa 1930's.
(cardboard box 4.1" x 4.1" x 1/2" and 24 wood 3/4" x 3/4" x 3/8" wood pieces)

A 5 x 5 version of the *Fifteen* puzzle. Begin with the orange lettering up, solve the crossword puzzle on the orange side of the directions, and slide the pieces to make that pattern. Then turn over the pieces to have the green lettering up, turn the directions over to green side, solve that crossword puzzle, and slide the pieces to make that pattern. On the right above is each piece of the orange solution turned over.
