

Rashkey

*Made by Oleg Raschkov, Germany, sold by the Puzzle Shop, 2018.
(plastic, 2 x 2.9 x 1/2 inches)*

The two discs can rotate and exchange portions; kind of a more complicated version of the *Rotascope* puzzle. *Jaap's Page* describes solutions for three color scheme variations of this puzzle, the second of which is the one shown here. Here is the back:
