How to assemble

Note: You can adjust the length of the rope to fit most bottle heights. Tie off the rope under the piece(A) that fits over the bottle to adjust to appropriate size.

Creative Craft House, "Think Before You Drink", 2018.

(wood + standard beer bottle, 9.75" high with 3.25" square base; top assembly is 5" wide)

Manipulate the string puzzle in order to remove the bottle.
